When the anticipation of your child's birth turns into the grief of miscarriage, tubal pregnancy, stillbirth, or early infant death, no words on earth can ease your loss. But there is strength and encouragement in the wisdom of others who have been there and found that God's comfort is real. Having experienced three miscarriages and the death of an infant son, Kathe Wunnenberg knows the deep anguish of losing a child. Book included in study is also free of charge.
